CLOTHING
MALACHI 3:1

A VOICE THAT GIVES

Why clothes?

Why The homeless?

How does It work?

Where do you give?

Who is Malachi?

QUESTION:

WHY CLOTHES?

OUR APPROACH:

When a shirt is purchased at Malachi Clothing another shirt is given to a person in need. Here at Malachi Clothing we not only provide shirts to those individuals in need, but we also try to touch upon the importance of hygiene and the introduction of God into their lives. Each individual in need will receive a Malachi Shirt with the words printed "God Saves". A care package including a bar of soap, lotion, a toothbrush and toothpaste will be handed out along with the shirt. During the giveaway process each person receiving the items will be asked whether they would like to request a special prayer be prayed for them. We will keep record of the individual's name and their requested prayer. Within a few weeks, each customer will receive a special hand-made bracelet with the name of the individual in need printed upon it, along with a strip of paper indicating the prayer that was requested by them

WE LEARNED:

As a volunteer at a community outreach facility that feeds people in need at skid row, I noticed that several of the individuals living there had scab like wounds. I wondered what the causes of these wounds were and how they were acquired. After doing a bit of research, I learned that these various skin infections such as Staph, MRSA, Cellulitis and Impetigo are all infections of the skin due to bad hygiene. Dirty clothes worn day after day can irritate the skin and eventually dry out the skin or make infectious rashes. Unwashed clothing often creates bugs and bacteria that live in the cotton of the clothing. If the skin cracks and bacteria enters the body, it can become deadly. Instead of ignoring this issue, we can be the solution to this problem by delivering clean clothing and hygiene essentials to those individuals who really need it

Infections and Disease

Hundreds of millions of people are at risk of many deadly skin infections and transmitted diseases that none of them can afford to prevent and treat.

SAVE OUR SELVES

It Could Be YOU:

We believe strongly in cleaning up the mess we live in. Many people today are homeless, having been abandoned, and trying to move forward in life with hopeless hearts. Many of these people's stories start with a normal life just like yours and mine. Along the way they took a fall and have had no one to help them up. Whether it is a fall from financial issues or a fall from drugs and alcohol, we believe that everyone deserves a second chance to make things right. Without the help they need, many of these individuals end up suffering from severe depression, drug abuse, and even suicide.

Imagine yourself losing absolutely everything you had at this very moment. A helping hand is nowhere in sight. Employers won't even consider you because you lack the proper attire. As the days go by, your body odor begins to dominate your presence and people stop showing you all forms of physical contact, throwing you looks of disgust as if you were a stray animal. When you ask for people's help, they pretend they cannot hear you. Imagine how cold your heart would feel. Imagine feeling like you no longer had a purpose in life. Imagine how much your faith would diminish; where would your beliefs go? As followers of God, we need to look at each person as if we were in their situation. There are too many people living out on the streets. Pretending they are not there does not solve the problem, it creates the problem.

HELP US, HELP THEM

What We Provide:

Unfortunately, we cannot provide these individuals with the monetary funds they need, but with your help we can provide them with a second chance. Twice a week, the One Church international staff and I will come together to prepare as much food as we can to give away to these people in need. Along with the food, each individual will receive a care package that has been put together with the proceeds from our customers. For every purchase made at our store, a care package will be assembled and donated to a person in need. Each care package includes the basic essentials such as: deodorant, a toothbrush, toothpaste, lotion, soap, and a new Malachi Shirt that reads, "God Saves". The care package will help the individual maintain a healthy personal hygiene, giving them another day of hope.

The Power of Prayer:

When a customer purchases a Malachi Clothing product, they will receive a bracelet in the mail within the next few weeks. Their personalized bracelet will have the name of the individual they personally helped by purchasing a product at Malachi Clothing. Packaged along with the bracelet will be a strip of paper with a specific prayer topic that was requested by the individual in need. As followers of Christ, we are all called to pray for one another, so we ask that each customer fulfill the prayer requested by the individual.

This bracelet will be a reminder to each customer to not only to pray for that particular person, but to also pray for all those in need. We strongly believe in the power of prayer. When prayer is involved, God is involved and nothing stops the grace of God.

How It Works?

Our Approach: When you purchase an item at Malachi Clothing, you are essentially providing the materials that are needed to prosper and encourage a new LIFE. Each customer will receive a bracelet(s) a few weeks later with the name of the individual receiving the needed materials written upon it. Packaged along with the bracelet will be a strip of paper with a specific prayer topic that was requested by the individual in need. We believe in the power of prayer and ask that you fulfill the requested prayer daily as well as pray for others in need.

Step 1: Spread The Gospel Through Appeal.

Malachi Clothing is a company that believes in creating a physical, spiritual identity through fashion for the community of believers. We provide a brand that identifies God, essentially creating a uniform of God that speaks to everyone. We strive to create fashionable, distinctive, and quality driven apparel that inspires the consumer to feel empowered when wearing it. Our objective is to create art with a unique design, while fostering individual expression. By projecting a positive awareness through fashion, we bring God's image to life.

"God created man in his image, in the image of God he created him, male and female he created them." - Genesis Ch.1:27

Step 2: Identify the needs of the people.

We target the areas in which change is necessary, areas such as homeless communities with individuals in desperate need of a second chance at life. In order to make an impact, we must provide these individuals with the necessary amenities to help them get their life back on track. We will be providing food to keep their body energized throughout the day, clean clothes to keep their current clothes from building up bacteria and microscopic bugs that live within the cotton, a toothbrush and toothpaste to prevent dental issues, and deodorant and soap to keep their skin from developing deadly skin infections. Our ultimate goal is to provide a second opportunity for these individuals and give them hope and the confidence to strive for a better life.

Step 3: Help us make a bigger impact.

With every purchase at Malachi Clothing, a care package will be assembled and donated to a person in need. Each care package will include: soap, a toothbrush, toothpaste and deodorant. As we handout food and a care package to the individuals, we ask them whether they would like to request a prayer by made in their name.

Step 4: Pray

After a customer has made a purchase, they will receive a bracelet and a prayer request in the mail a few weeks later.

Each bracelet is personalized with the name of the individual the customer personally helped by purchasing a product at Malachi Clothing. Packaged along with the bracelet will be a strip of paper with a specific prayer topic that was requested by the individual in need. We ask that you fulfill this prayer request daily, and use the bracelet as a reminder to not just pray for that individual, but for everyone in need.
